OBITUARY.

MISS SUSAN E. RIPLEY.—There was widespread and deep-seated mourning in many a circle in this city yesterday when The Tribune brought notice of the death of Miss Susan Elizabeth Ripple, daughter of Colonel and Mrs. Ezra Ripple. Scarcely at the taking away of one so young, possessing such a bright future, and sympathy for the bereaved parents was seldom more general in its prevalence.

Miss Ripple would be 18 years of age next Saturday. She was in the graduating class at the School of the Lackawanna and looked forward with the pleasant expectancy to the day when she would complete her academic course. None will more sincerely mourn her than her teachers and schoolmates, who from daily communion with her, learned to love her, even as she was loved in her own family circle. She was a leader in her class and besides was an accomplished musician, being especially capable as a pianist.

Surviving her in her immediate family, besides her parents, are her brother, Lieutenant Ezra H. Ripple, Jr., and sisters, Misses Bonnie and Jessie C. Ripple.

The funeral will take place tomorrow afternoon at 2:30 o'clock from the residence, 1205 Vine street. The services will be conducted by Rev. G. L. Altich, of the Grace Reformed Episcopal church. Interment will be made in Dunmore cemetery.

Services will be held at St. Peter's German Lutheran church, and interment will be made at the Petersburg cemetery. Deceased is survived by his wife and six children: Charles Raynor, the well known permanent man of the Relief Engine company; Paul Raynor, Mrs. Mary Berfelt, Mrs. William Dreyer, Mrs. Kate Switzer and Mrs. Henry Wenzel, all residents of the Tenth ward, excepting Mrs. Dreyer, who lives on the South Side.

Silver Lake, a famous watering place. This beautiful sheet of dipping aqua pura is three miles long and one and one-half wide. Kaleidoscope beauties fringe its pebbled shores. Cones were a frog pond to it. Splendid hotels rate five to six dollars per week; but the greenward that slopes amphitheatrically from the fair lake's crystal rim. Volcanic rocks, thrown out in some far distant, unremembered aeon by a mighty throb of Mother Nature heart, contribute a picturesque note to a landscape as smiling as has ever cradled a grite. The drive is the finest in the state. Farm houses, presided over by gentlemanly farmers, offer a retreat for those that give a preference to the pastoral; and countless nooks for babbling brooks, or by
